**MEMORANDUM IN RESPONSE**

The Petitioner, Danny Hooks, was under a sentence of death adjudged by an Ohio court. On January 21, 2000, Hooks filed a petition for a writ of habeas corpus challenging his convictions and death sentence. On October 7, 2004, Hooks' counsel notified the Court of Hooks' death while incarcerated. On October 12, 2004, the Court directed the parties to show cause why Hooks' petition should not be dismissed. The Court further directed that the parties' responses be accompanied with appropriate documentation of Hooks' death.

Counsel for the Respondent in this matter, Warden Betty Mitchell, submits that it is appropriate to dismiss Hooks' petition in light of Hooks' death. The Warden is prepared to stipulate that Hooks died while incarcerated. Counsel for Hooks has been provided in advance with a copy of this memorandum in response, and has stated that he is prepared to stipulate that Hooks died while incarcerated. Accordingly, the Warden respectfully requests that the Court consider and approve the parties' stipulation, dismiss Hooks' petition, and enter final judgment closing the case.

Respectfully submitted,

**JIM PETRO**  
Attorney General
